MANAGEMENT BOARD OF VALAMAR RIVIERA d.d.

EXPLANATION OF THE PROPOSED DECISIONS FOR THE GENERAL ASSEMBLY

AD 1) Pursuant to the provisions of the Companies Act, the Management Board and Supervisory Board have determined the prescribed non-consolidated and consolidated annual financial and other reports for the year 2019 and present them to the General Assembly. Pursuant to the Capital Market Act, the prescribed reports for the year 2019 were published on 28 February 2020, and have been available since on the Zagreb Stock Exchange website and the Company website as well. In addition, according to business policy and the needs of the Company's further development, the Management Board and Supervisory Board propose to distribute the Company's realized profits in 2019 totaling HRK 363,488,066.65 to the Company's retained profit.

Pursuant to the provisions of Article 276 of the Companies Act, it is proposed that the members of the Management Board and Supervisory Board are granted discharge.

AD 2) Pursuant to Article 280, paragraph 3 of the Companies Act, and according to the Audit Committee's opinion which had previously assessed the submitted offers of auditing firms, the Supervisory Board determined the proposal to appoint Ernst & Young d.o.o. za reviziju from Zagreb, Radnička cesta 50, OIB: 58960122779 and UHY RUDAN d.o.o. za porezno savjetovanje i reviziju from Zagreb, Ilica 213, OIB: 71799539000 as the Company's Auditors in 2020. The Supervisory Board determined the proposal for the appointment of two auditors, since the Company is obliged to contract a statutory audit with at least two mutual independent auditors, pursuant to the provision of Article 43 paragraph 2 of the Audit Act.

AD 3) The Management Board and Supervisory Board determined the proposal of decision on changes of Charter (Articles of Association) since the period of 5 years of the Management Board's previously given authorization, with the prior consent of the Supervisory Board, to increase the share capital expires on 17/05/2020. The proposed decision extends the current authorization to increase the share capital for further period of 5 years from the day of entry the changes of the Articles of Association in the court register.

AD 4) Pursuant to Article 352 paragraph 3 item 3 of the Companies Act, the Management Board and Supervisory Board determined the proposal of decision on withdrawal the treasury shares without decreasing the share capital. The proposed decision enables to reduce the number of shares by withdrawal of the treasury shares without reducing the share capital. With the withdrawal of the treasury shares, the stake of remaining shares in the Company's share capital increases, while possible withdrawal represents an alternative to the sale of own shares in circumstances of possible adverse stock market movements.

AD 5) Pursuant to the Company's business policy, the Management Board and Supervisory Board determined the proposal according to which the Company shareholders will be paid a dividend in the amount of HRK 1.20 (in words: one kuna and twenty lipas) per each share. The dividend would be paid out of the retained profit in 2016 totaling of HRK 29,868,578.72, while the remaining required amount would be paid out from the retained profit in 2017. Pursuant to the provision of Article 119 of the Zagreb Stock Exchange Rules, the proposed payment date is 20 May 2020. Each shareholder of the Company, owner of the shares registered on their accounts of dematerialized securities in the computer system of the Central Depository and Clearing Agency as of 28 April 2020 (record date) is eligible for the dividend payout. The ex date is 27 April 2020. The Company shareholders have the possibility to have one quarter of their dividend paid out in Company's shares. The proposed method of dividend payout (combination of the money and (optionally) partly in rights – treasury shares) continues the current practice, by which the liquidity of the Company is supported.
