Management of the Valamar Brand

First Internationally Recognized Brand in Modern Croatian Tourism

- The Valamar Hotels & Resorts brand was introduced in 2004 and very soon it became the first internationally recognized brand in modern Croatian tourism
- Camping Adriatic by Valamar was introduced two years later
- Over time, the brand architecture was supplemented and modified, adapting to the changes within the company, and in 2016, the process of redefining the existing brand strategy began

Valamar Brand Overview

- In 2018 existing Valamar brand architecture has moved from a system with two main product brands to a system with five main product brands closely linked to Valamar's core culture and values
- Each property in the portfolio is linked to one of the product brands and has had specific positioning, USPs, target markets and sales channels defined specifically for it
- Valamar Collection and Valamar Collection Resorts are brands of strategic importance and are the closest to Valamar's core values; they include the best products in the portfolio
- Valamar Hotels & Resorts is a brand covering the largest portion of the company's capacities and includes both upscale and midscale properties; specific labels will be introduced through this brand, depending on the special characteristics of each product
- Sunny by Valamar is the economy brand that includes both midscale and economy portions of the portfolios
- Camping Adriatic by Valamar is lifted to a higher level and is more strongly linked to the Valamar brand; additionally, it has been divided into three categories – Premium Resorts, Resorts and Sunny

Valamar Brand Identity

Valamar+Club

The Valamar loyalty program connects all the product brands in the system. It contributes to the distinctiveness of the umbrella brand and creates added value for returning guests.

Awards & Recognitions and Business model

Awards & Recognitions

- On an annual basis, Valamar receives more than 50 international awards for quality, including most prestigious awards such as „World Travel Awards” as well as those given by Tripadvisor, ADAC, TUI, ANWB, Leading Campings of Europe, World Luxury Hotels and others

SWOT Analysis

S

STRENGTHS

- Top beach front locations in prominent Croatian tourist destinations
- Proximity to key European markets and international airports
- Balanced portfolio of destinations and product types lowers external risk factors
- First and strongest Croatian hotel brand able to command price premiums based on high service quality
- Diversified source markets; high-income markets dominate
- Experienced management team

W

WEAKNESSES

- High seasonality:
 - Low annual occupancy rates due to seasonal operation in most properties
 - High exposure to adverse weather conditions in peak season, especially in camping
- Underdeveloped destination products and services outside main season
- Low demand in shoulder seasons
- Predominantly single country exposure

O

OPPORTUNITIES

- Further upgrade of portfolio towards upscale segment (price premium)
- Further growth from value-add services and guest experiences
- Shoulder season growth (sports, adventure, gastronomy, events, MICE tourism, etc..)
- Expansion on local and regional level (acquisition of products that fit the existing portfolio)

T

THREATS

- Destination management capabilities in Croatia
- Geopolitical and economic challenges in some source markets
- Unstable local economy (public finance – further tax pressures) & unfavorable regulatory, tax and legislative frame (Touristic land law, Maritime domain, etc.)
- Lack of skilled high quality work force
- Growing local, regional and global competition and resulting price pressure
- Natural disasters, pandemics, food shortage, social unrest, wars and other force majeure

1 Valamar Riviera Overview

2 9M 2020 & COVID-19 Overview

3 Share RIVP

Business Highlights 1

COVID-19 CRISIS

- operational and financial disruptor to the global economy
- substantial impact on tourism flows which started in March and affected business volumes in peak-season
- Valamar adopted a comprehensive set of measures and activities to positively overcome the crisis

PRODUCTS AND SERVICES MODIFICATION

- more space to guests by decreasing the max. occupancy by 20%
- promotional campaigns #stayinnature and “beachholidays”
- V Health & Safety program, “CleanSpace - 100% privacy”, online reception, Valfresco Direkt, and other digitization projects

RISK MANAGEMENT COMMITTEE

- successfully adjusted financial, business and contingency plans and activated escalation plans
- developed and activated comprehensive operational crisis management procedures to protect the health of guests and employees

EMPLOYMENT PROTECTION

- „Pause, Restart Program” was effectively launched with the aim of protecting all jobs
- payouts to all “paused” employees waiting for work in the amount of at least 60% of their regular salary, but not less than HRK 4.250 net, thus decreasing the otherwise fixed payroll costs

**VALAMAR HAS SUCCESSFULLY SECURED SUFFICIENT LIQUIDITY,
PROTECTED JOBS AND RESTARTED OPERATIONS
IN THE FIRST NINE MONTHS**

Business Highlights 2

STATE MEASURES

- grants for job preservation in COVID-19 affected sector (valid until year-end 2020)
- reduction and deferred payment of concession fees
- deferred payment of tourist board fees
- moratorium on bank loans

- secured liquidity to weather the crisis over the following period and continue the growth path in 2021
- introduced policies and mechanisms to defer payments
- deferred vast majority of credit liabilities for 2020 & H1 2021
- fortified additional liquidity through a EUR 66mn club loan

FINANCIAL STABILITY TO CONTINUE DEVELOPMENT

REVENUES AND BOOKINGS MANAGEMENT

- slower dynamics of booking entries mostly related to hotels and resorts, while camping resorts proved to be far more resilient
- direct channel most significant one
- no decrease of prices (comparable ADRs show increase of 8% and 6% in hotels&resorts and campings, respectively)

- planned 2020 investment cycle amounted to over HRK 800 million, but was reduced by HRK 125 million by the end of June
- the priority is maximizing FCF and reduce credit exposure in order to achieve the pre-crisis net debt / EBITDA ratio as soon as possible

INVESTMENTS MANAGEMENT

VALAMAR HAS ACTIVELY MANAGED THE CRISIS AND THE 2020 TOURIST SEASON, AND POSITIONED ITSELF WELL TO SUCCESSFULLY RESUME GROWTH AND DEVELOPMENT DURING 2021 AND 2022

Outlook

2020e Operating Revenues (in HRK mn)

2020e Unadjusted EBITDA (in HRK mn)

Future focus: maintain an adequate level of liquidity, preserve jobs, adjust the business model to the crisis and prepare projects for new growth and development when the conditions are met

Valamar expects the tourism sector to be affected by the crisis in 2021, while business normalization is expected in 2022 and 2023

Croatia has the unique opportunity to establish itself as the most desirable destination in the Mediterranean and achieve strong growth and guest returns in 2021
